

March 1997

Hello Mike!

I send you two copies of the manuscript of my philosophical paper, which I will try to submit to the Journal of Consciousness Studies. The copy with regular spacing is for you personally.

I would be very grateful, if you could make corrections to the copy printed in double spacing, and return it to me (I enclose a label with my postal address). There is no hurry with this article.

Thanking in advance,

Undo

Dear Undo,

.....

On other matters, I am going through your interesting paper. I have not yet finished, and it is not that it is difficult for me; it's just that I always hope to get some quiet time to sit down and concentrate, but between work and sleep, not much time remains. But I will finish it, hopefully soon.

.....

Yours,  
Mike
